*Reasons for Allowance*

1. The following is an examiner's statement of reasons for allowance of claims 1-6, 8, 9, 11 and 12.

For independent claim 1 the prior art of record does not disclose or clearly suggest a marker post having a one-piece hollow elongated member composed of a flexibly resilient polymer plastic, and a first flexible living hinge, the anchoring flap being attached to the elongated member by said first flexible living hinge, said anchoring flap moveable from a first closed position to a second open position to prevent withdrawal of said elongated member from an embedded position and vice versa in combination with the remaining limitations of the claim.

Claims 2-6 are allowed due to their dependency on allowed claim 1.

For independent claim 1 the prior art of record does not disclose or clearly suggest a hollow anchoring marker post having a one-piece triangular shaped elongated member composed of a flexibly resilient polymer plastic; first, second and third flexible living hinges; the first, second and third anchoring flaps respectively being attached to the elongated member by said first, second and third flexible living hinges; each of the anchoring flaps moveable from a first closed position to a second open position to prevent withdrawal of said elongated member from an embedded position and vice versa whereby the flaps has a sufficient memory to stay in the

open position until the post can be embedded in combination with the remaining limitations of the claim.

Claims 9, 11 and 12 are allowed due to their dependency on allowed claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
